A MESSAGE TO THE GRADUATES FROM RABBI ELIYAHU KAUFMAN, MENAHEL

Dear Graduates of תשפ"ד,

Each year on שמחת תורה, we celebrate the completion of חמשה חומשי תורה. The one who's called up to the עליי' and completes the final portion of the תורה is called the חתן תורה. The one who's called up for the first עליי' and begins the new cycle of קריאת התורה is known as the חתן בראשית. Perhaps these distinct names carry a powerful message.

Upon concluding the תורה, we give the name חתן תורה, because upon reaching the conclusion of any major project, one must look back and see all that he accomplished. Looking back at one's success, will surely propel him to continue on to further his growth and accomplishments. "חתן תורה" is a name that points to the great accomplishment... the reading of all of תורה הקדושה. However, when one is at the starting point of a new journey, we don't wish to point out all that lies ahead, as this can be very overwhelming. Rather, we give the term "חתן בראשית" you are now holding by part one of your journey. Focus on part one, and from there you'll continue moving on and on, step by step.

Dear graduates, you are now experiencing the phenomenon of being both the חתן תורה and the חתן בראשית. On the one hand, בחסדי ה', you have just completed your years of ישיבה קטנה. You are a חתן תורה". Now is the time to reflect on all of your accomplishments and successes. Just think how much you've achieved since walking through the doors of 555 Ocean Parkway. At the same time, you are at the threshold, ready to enter מתיבתא. You are a " חתן בראשית". Stay focused on the התחלה you're about to make. Don't look ahead more than is needed. Keep climbing, one rung at a time, and בעזרת ה' you'll reach glorious heights.

You are leaving us with wonderful memories. Your אהבת התורה and כחות which you invested into our Minyan Siach Yitzchok are remarkable and praiseworthy. Wishing you loads of הצלחה, we will miss you in the ישיבה קטנה.

Don't forget to stop by and say hello!

A MESSAGE TO THE GRADUATES FROM RABBI DOVID BERK, ENGLISH PRINCIPAL

Hi boys,
Thank you for giving me the opportunity to share with all of you a short but meaningful message. In Pirkei Avos (2:16) Rabbi Tarfon says: "It is not your obligation to complete the work, but neither are you free to neglect Torah study.

By now you are aware that life passes by quickly. Be it learning Torah or lehavdil another pursuit, do not waste time and always put forth your very best efforts. Together with sincere tefillah you will surely be successful. A special note of gratitude for those who have labored on this yearbook to assure it would be a reality. Thank you for rising to the occasion for the sake of all your friends. Please remember to come back so we can keep in touch. It will be wonderful to hear how you are doing and to lend a helping hand in any way.

With heartfelt wishes for Hatzlocha,

Dovid Berk

A MESSAGE TO THE GRADUATES FROM RABBI YOSEF CHAIM FOGEL, ENGLISH PRINCIPAL

To my favorite class of all time

Wow! This has been amazing! I can't believe that there was a time that I walked into your classrooms wondering "how will these boys make it to the finish line?" Yet here you are, at the cusp of graduating and embarking on your Mesivta careers. You've matured in the face of challenges that are of historical proportions. You, graduates have done what was thought to impossible. Lefum Tzaara Agraa. The harder the work is to do the more Sechar you receive from Hakadosh Baruch Hu. There were tasks that were thought to be unbearable, yet you conquered them with strength from reserves you never knew existed. "Greatness comes from doing great things." You have made yourselves into Mentchen, into people who are part of the Klal and ready to give. How many times have you sacrificed your personal comforts to do what is right, to help a friend, or just to go Shteig? Any Mesivta that has a YTT Bochur is lucky because now they have a Shtick Gadlus!! Know how great you have become, not despite the challenges, but because of them. Gadlus. That word also describes the Rabbeim and Mechanchim around you. The amount you have Shteiged both in the individual and as a group, has proved your true Sheifus. It has been an honor and a privilege to be your principal. Keep in touch, and wherever you are always keep YTT close to your heart and remember the growth and amazing times here.

Rabbi Fogel

To our dear Tzvi Aryeh on upon your graduation:

Truth be told,

Zeroing in on your many maalos is a

Very big challenge, as there are so many.

In the interest of brevity, we've chosen just a few:

Affable - you are well-liked and easy-going. Everyone loves you, especially us!

Responsible and reliable - we know we can always count on you, and your friends know it too.

Yarei Shamayim - you are guided by a sense of Hashem in front of you, which keeps you humble, honest, and always looking to help others.

Exemplary middos - kindness, consideration, and respectfulness are areas in which you shine!

Height - That one speaks for itself 😊 Also handsome. A parent can brag!

Aryeh, we are so proud of you and look forward to watching you grow into your future self! Wishing you every hatzlacha until 120!

Love,

Daddy and Mommy
