# a MESSAGE TO THE GRADUATES FROM RABBI ELIYAHU KAUFMAN, MENAHEL

תשפ"ג,

Each year on שמחות תורה, we celebrate the completion of תורה. The one who's called up to the

final portion of the תורה is called the חתן תורה. The one who's called up for the first עלי"ה and begins the new cycle of קריית התורה is known as the חתן בראשית. Perhaps these distinct names carry a powerful message.

Upon concluding the תורה we give the name חתן תורה because upon reaching the conclusion of any major project, one must look back and see all that he accomplished. Looking back at one's success, will surely propel him to continue on to further his growth and accomplishments. "חתן תורה" is a name that points to the great accomplishment the reading of all of תורה הקדושה. However, when one is at the starting point of a new journey, we don't wish to point out all that lies ahead, as this can be very overwhelming. Rather, we give the term "חתן בראשית" you are now holding by part one of your journey. Focus on part one, and from there you'll continue moving on and on, step by step.

Dear graduates, you are now experiencing the phenomenon of being both the חתן תורה and the חתן בראשית. On the one hand, you have just completed your years of study. You are a חתן תורה. Now is the time to reflect on all of your accomplishments and successes. Just think how much you've achieved since walking through the doors of 555 Ocean Parkway. At the same time, you are at the threshold, ready to enter. You are a חתן בראשית. Stay focused on the heights you're about to make. Don't look ahead more than is needed. Keep climbing, one rung at a time, and you'll reach glorious heights.

You are leaving us with wonderful memories. Your אהבת התורה and חווית which you invested into our Minyan Siach Yitzchok are remarkable and praiseworthy. Wishing you loads of הצלחה, we will miss you in the

ישיבה  
קטנה.

Don't forget to stop by and say hello!

# a MESSAGE TO THE GRADUATES FROM RABBI DOVID BERK, ENGLISH PRINCIPAL

Hi boys,

Thank you for giving me the opportunity to share with all of you a short but meaningful message. In Pirkei Avos (2:16) Rabbi Tarfon says: "It is not your obligation to complete the work, but neither are you free to neglect Torah study.

By now you are aware that life passes by quickly. Be it learning Torah or lehavdil another pursuit, do not waste time and always put forth your very best efforts. Together with sincere tefillah you will surely be successful. A special note of gratitude for those who have labored on this yearbook to assure it would be a reality. Thank you for rising to the occasion for the sake of all your friends. Please remember to come back so we can keep in touch. It will be wonderful to hear how you are doing and to lend a helping hand in any way.

With heartfelt wishes for Hatzlocha,

Dovid Berk

# A MESSAGE TO THE GRADUATES FROM RABBI YOSEF CHAIM FOGEL, ENGLISH PRINCIPAL

To my favorite class of all time

Wow! This has been amazing! I can't believe that there was a time that I walked into your classrooms wondering "how will these boys make it to the finish line?" Yet here you are, at the cusp of graduating and embarking on your Mesivta careers. You've matured in the face of challenges that are of historical proportions. You, graduates have done what was thought to impossible. Lefum Tzaara Agra. The harder the work is to do the more Sechar you receive from Hakadosh

Baruch Hu. There were tasks that were thought to be unbearable, yet you conquered them with strength from reserves you never knew existed. "Greatness comes from doing great things." You have made yourselves into Mentchen, into people who are part of the Klal and ready to give. How many times have you sacrificed your personal comforts to do what is right, to help a friend, or just to go Shteiig? Any Mesivta that has a YTT Bochur is lucky because now they have a Shtick Gadlus!! Know how great you have become, not despite the challenges, but because of them.

Gadlus. That word also describes the Rabbeim and Mechanchim around you. The amount you have Shteiged both in the individual and as a group, has proved your true Sheifus. It has been an honor and a privilege to be your principal. Keep in touch, and wherever you are always keep YTT close to your heart and remember the growth and amazing times here.
